## MESSAGE FROM THE PRESIDENT AND CHAIR OF THE BOARD OF TRUSTEES

As a Catholic community of schools, rooted in the values and vision of the Ursuline Sisters, and inspired by the charism and spirituality of Saint Angela Merici, Sacred Heart Schools has been serving with compassion since 1877. We provide world-class education for students ages 1-18 through four schools: Sacred Heart Academy, Sacred Heart Model School, Sacred Heart Preschool and Sacred Heart School for the Arts. We are dedicated to educating the whole child and transforming lives through academic excellence, character and leadership development, faith formation and values, arts exploration, athletic accomplishment and service outreach.

The Sacred Heart Schools faculty and staff gathered at Commissioning to begin our 2017-2018 year together in prayer and reaffirm our commitment to the mission and vision of our campus community. We adopted the year-long theme of "Serve with Compassion" as we renewed our dedication to the Ursuline Core Values of Community, Leadership, Reverence and Service. Then as a community of faculty, staff and students, we gathered for Convocation to unite our voices and hearts as one.

We closed out the year congratulating our Sacred Heart Academy Class of 2018 as they take the next step in their journey from learners to leaders. The traditional toss of the roses celebrates \$29 million in college scholarships, allowing students to attend 150 colleges and universities across the country. We are amazed and humbled by the many achievements of all SHS students, faculty, staff and alumni.

The Annual Fund is a critical and ongoing component of daily life at Sacred Heart Schools, providing administrators with the resources they need when making decisions that enhance our educational experience and maintain our tradition of excellence; all while keeping tuition increases at a minimum. Thanks to the remarkable generosity of our SHS community, we exceeded our Annual Fund goal this year raising over \$985,000. As a result, we can continue vital investments in faculty recruitment and professional development, technology upgrades, arts integration, campus improvements and most importantly, student financial support. Every gift directly impacts the education of our students and helps us continue to improve upon and provide world-class learning for all our students.

Through the generous gift and subsequent launch of the Jean Frazier Leadership Institute, Sacred Heart Schools has further distinguished itself in the empowerment of world-ready leaders through formal programming and authentic learning experiences. The JFLI has established and integrated programming that touches all SHS students, regardless of age, academic level or current leadership involvement. In aiding students in the growth of personal development skills, self-awareness and self-confidence and in providing opportunities for students to authentically practice leadership through school involvement, service work and internship experiences, the JFLI is taking a comprehensive approach to leadership development.

The best way for you to learn the amazing things taking place at Sacred Heart Schools is to see it for yourself. Volunteer in the classroom, cheer on our SHA and SHMS sports teams, visit your grandkids, attend a SHSA production at the Ursuline Arts Center or delight in our youngest learners at the SHP Derby Parade. In whatever capacity, we invite you to be part of the heart. Visit our Sacred Heart Schools campus and witness for yourself how we grow nearly 2,000 students from learners to leaders.

On behalf of the entire Sacred Heart Schools community and all who serve on the Board of Trustees, thank you for your unwavering support.

With Gratitude,

Dr. Cynthia R. Crabtree  
President, Sacred Heart Schools

Respectfully,

Beth Klem  
Chair, Board of Trustees

# IB is for everyone.

Forward-thinking, future-looking and globally-focused, Sacred Heart's International Baccalaureate (IB) Programme is a comprehensive, inquiry-based approach to learning that benefits every classroom and every student. IB creates critical, creative and reflective thinkers who are prepared for life. IB assures that Sacred Heart provides world-class learning for world-ready leaders.

Director, Jean Frazier Leadership Institute

# JEAN FRAZIER LEADERSHIP INSTITUTE

## AT SACRED HEART SCHOOLS

Sacred Heart Schools has a venerable history of helping students grow from learners to leaders through its mission to educate the whole child. A mission formed by the early leadership of the Ursuline Sisters of Louisville in 1877.

With the announcement of the largest cash gift in the campus' 140-year history, Sacred Heart Schools has further distinguished itself in the empowerment of world-ready leaders through formal programming and authentic learning experiences. Philanthropist, and Sacred Heart Academy alumna, Jean Wode Frazier '52 donated \$1 million to fund the launch and development of the Jean Frazier Leadership Institute at Sacred Heart Schools.

With the creation of the Leadership Institute, Sacred Heart Schools recognizes that leaders are developed through deliberate study and practice. The idea is that leadership - like other disciplines - consists of a set of skills, methodologies and ideas that can be taught. The JFLI, led by Director, Lauren Hitron SHA '99, is integrating programming that touches all SHS students, regardless of age or academic level. The Institute will give each student and staff member the tools he or she needs to build an individualized leadership blueprint.

By utilizing a four-part approach to leadership training- self-awareness, character-building, goal setting and self-advocacy- students are working to define the principals that guide their leadership style. They are learning practical leadership skills, methods and techniques such as communication, facilitation, engagement, decision making, planning and fiscal literacy. In aiding students in the growth of these personal development skills, self-awareness and self-confidence and in providing opportunities for students to authentically practice leadership through school involvement, service work and internship experiences, the JFLI is taking a comprehensive approach to leadership development. With this focus on learning to lead, students will leave the halls of Sacred Heart Schools as compassionate, world-ready servant leaders.

The idea of formal leadership programming is a natural, next step for SHS as we work to become a full International Baccalaureate (IB) World School district. IB's research-based curriculum nurtures lifelong learners and influences education and leadership on a global scale. The aim of all IB programs is to develop internationally minded people who, recognizing their common humanity and shared guardian ship for the planet, help to create a better and more peaceful world.

*The JFLI is supported by a Leadership Cabinet that serves as an advisory council to aid in the creation and execution of its strategic vision and objectives. The cabinet meets quarterly to advance the mission of the JFLI by providing professional expertise and sharing their diverse knowledge, and it works to ensure that the JFLI has a significant, long-term impact.*

FUNDRAISING PRIORITIES

Annual Fund

The most important fundraising priority at Sacred Heart Schools is annual giving. All private schools, as well as colleges and universities, have annual funds. The Annual Fund is necessary to maintain Sacred Heart Schools’ tradition of excellence and to keep tuition increases at a minimum. Be assured that your Annual Fund gift made to a specific school remains at that school and is not distributed to other schools on the Ursuline Campus.

The Annual Fund provides critical operating budget support and is used immediately by the school principal or administrator. It provides flexibility to respond to essential needs and new opportunities. These include:

- student financial support
- technology upgrades
- arts integration in the curriculum
- faculty recruitment, professional development and support
- annual improvements to classrooms, laboratories and other campus facilities

Interlude

Interlude is held annually in the spring and is Sacred Heart Schools’ only campus-wide dinner-auction that families are asked to support. Proceeds from the fundraising event directly benefit the current year’s operating budgets for Sacred Heart Academy, Sacred Heart Model School, Sacred Heart Preschool and Sacred Heart School for the Arts.

Endowment

The long-term stability and mission-driven values are assured from generation to generation through endowment. Although Sacred Heart Schools has distinguished itself as a premier Catholic school district, its endowment is significantly underfunded in comparison to the national benchmarks. This means fewer resources to devote to student financial aid, faculty recruitment and retention, and faculty professional development.

Sacred Heart Schools recognizes the need to increase the size of our endowment considerably to reach our long-term goal of \$20 million. As the endowment grows, more money will be available annually for financial aid, faculty recruitment and retention, and faculty professional development.

**Student Scholarship/Financial Aid Opportunities:** Endowed student financial aid will make a Sacred Heart Schools education possible for prospective families who would otherwise not be able to afford the tuition. It will also benefit current families who find their ability to afford an Ursuline education has changed. Without aid, they face withdrawing their child from Sacred Heart Schools due to unexpected financial hardship.

**Professional Development and Program Endowment Opportunities:** SHS has various faculty and program specific needs within the district: Sacred Heart Academy, Sacred Heart Model School, Sacred Heart Preschool and Sacred Heart School for the Arts. Endowed departments, STEM (science, technology, engineering, and mathematics) programs and arts opportunities are the difference between an average program and one that excels nationally.

**Estate and Planned Gifts:** Some donors wish to make gifts through their estate plans. A gift made through a bequest or estate is referred to as a planned gift. Any person who makes an estate plan which includes a Sacred Heart school is a member of the St. Angela Merici Circle. The Office of Institutional Advancement can provide estate and planned giving guidance upon request.

**Capital Project:** An intensive fundraising effort designed to raise a specified sum of money within a defined time period to meet the varied asset-building needs of an organization. SHS will embark on capital projects from time to time as the needs are identified and approved by the Board of Trustees.

ST. ANGELA MERICI CIRCLE

The St. Angela Merici Circle recognizes those who have designated a gift by will or bequest to Sacred Heart Schools or one of its four member schools. We have been informed of the following gifts by will, estate or trust. If you have recognized one of our Sacred Heart Schools in your estate plan and are not listed below, or would like to do so, please contact Beth Clingaman at 502-736-6467 or bclingaman@shslou.org.

A MESSAGE FROM THE PRINCIPAL

Dear SHA Alumnae, Parents, Families and Friends,

What a light you are to Sacred Heart Academy, and thanks to your generosity, our students’ lights shine more brightly as well! Your commitment to “Dear Sacred Heart, School of my Heart,” ensures a strong Catholic and academic education for our young women, many of whom would not have this opportunity without your support. Your support enabled us to increase our counseling department, both in headcount and new physical space, continue to provide state-of-the-art technology in our classrooms, and hire, train and retain highly-talented and dedicated faculty. We are rooted in the Ursuline Core Values of Community, Reverence, Service and Leadership, and are providing a world-class education for world-ready leaders.

We had a successful year with the Class of 2018 earning over \$29 million in college scholarships to 150 colleges and universities across the country. Seven of our seniors were recognized by the National Merit Scholarship Foundation, nine were Governor’s Scholars, and five were selected for the Governor’s School for the Arts. We are very proud that 28 students completed all courses for the International Baccalaureate Diploma and more than half of our upper-class students took IB courses for college credit. The Valkyries won state championships in golf, swimming and tennis with 25 student athletes signing letters of intent to play collegiate sports.

The Sacred Heart Academy light also shines throughout our community as our students serve in more than 75 agencies, giving their hearts and their time to help those in need. I can say with great confidence that our students are among the most reverent, respectful and integrity-filled young women in the city.

I pray each day that the light of the Holy Spirit fills your heart. Thank you for the blessing you are to Sacred Heart Academy.

With gratitude,

Mary Lee McCoy

## A MESSAGE FROM THE PRINCIPAL

Dear Parents, Grandparents, SHMS Alumni and Friends,

We at Sacred Heart Model School are very fortunate to have stakeholders like you. Your unwavering support of our school is far-reaching. As a supporter of Sacred Heart Model School, you have delivered an opportunity and inspiration for us to continue pursuing our mission and vision. For that, we are grateful.

We want to take this opportunity to thank all our donors who support us throughout the school year. Your dedication, encouragement, and prayers mean the world to our students and staff. It is your commitment that helps make the SHMS experience possible.

The funds raised go directly to benefit your students. One hundred percent of the annual fund helps the Model School to build on our solid foundation. In the past few years, we have transformed 12 of our classrooms to “classrooms of the future.” These rooms have flexible seating and the newest, latest and greatest, in technology. These new rooms provide our students the learning environments they need to engage in active, inquiry-based learning that develops their critical thinking skills necessary to help them become global citizens.

For the 2018-19 school year, we will make a SHMS education possible for upwards of 365 students. We are very excited to announce that we will add Chinese/Mandarin to our Course of Studies, and our students in LK and L1 will experience a math and reading class in the Chinese language on a regular basis. This opportunity will help our students gain new perspectives and an international mindedness that will prepare them for learning in an increasingly interconnected world.

We are proud of our past but excited about our future. On behalf of the entire SHMS community, and in the spirit of St. Angela Merici, thank you very much!

*Dr. Michael Bratcher*

Sacred Heart  
PRESCHOOL

Learners to Leaders

## A MESSAGE FROM THE DIRECTOR

Dear Sacred Heart Preschool Families,

For fifty years we have been educating Sacred Heart Schools' youngest students, inspiring a life-long love of learning by encouraging respect of self and others, self-confidence and independence. As we close our 50th anniversary year, we acknowledge the mission and values of the Ursuline Sisters – Leadership, Community, Reverence and Service.

We use the tag “Learners to Leaders” often, and this year, with the creation of the Jean Frazier Leadership Institute, we took a deeper look at what leadership looks like at the Preschool level and how our students model this core value daily. SHP students lead in the classroom by creating their own learning environments and “Essential Agreements” outlining their commitment to respect their space, friends and themselves.

Collaboration with our campus schools strengthens our community and exposes our children to rich intergenerational learning. We celebrate SHA seniors with our “Learners to Leaders Walk” before graduation and regularly visit SHMS, learning in their library and art room and reading with our Book Buddies.

The Ursuline Sisters are a vital part of our program with each classroom adopting their “own Sister,” with whom they share notes, prayers, projects and visits. This special bond with our Sisters has taught our little leaders the joy of compassion, the power of prayer, and the love of someone we hold special.

Our young leaders participate in many service projects including the Appalachian toy drive and annual food drive, the Terra Cycle recycling program that raises funds for Feeding America and charity:water, and the Leukemia and Lymphoma Society and St. Baldrick's Society, in honor of one of our own students.

Thank you for your continued support, and most importantly, for sharing your children with us. We know how precious they are.

Peace and Blessings,

*Lisa Houghlin*

Sacred Heart  
SCHOOL FOR THE ARTS

Learners to Leaders

A MESSAGE FROM THE  
EXECUTIVE DIRECTOR

Dear Parents and Friends of Sacred Heart School for the Arts,

The 2017-18 school year was another successful year of engaging students of all ages in arts activities and performances. The Sacred Heart School for the Arts faculty dedicated their time and energy to design a diverse schedule that afforded unique opportunities to showcase the talent and creativity of our students.

With more than 100 students, the Dance Department presented the traditional “Nutcracker” for the Christmas holidays and an ambitious “Swan Lake Ballet” as their Storybook presentation. The Drama Department gave audiences diverse shows from Beginner Drama’s “The Cheese Stands Alone,” to Youth Drama’s “The Lion King” and Sacred Heart Academy’s version of Victor Hugo’s “Les Mis.” The music faculty participated in the orchestras for all productions and supervised their 90 students in harp, piano, violin and voice recitals. Some of our youngest students displayed their visual art creations on themes for the Christmas holidays, the Martin Luther King Jr. celebration, Valentine’s Day and the Kentucky Derby. All our young artists – from preschool to high school – showcased their talent, creativity and spirit through arts education.

The administration and faculty guide the course for SHSA, and the students are the heart, but a grateful *thank you* goes to our many parents and friends who volunteer for various productions and shows. We appreciate the time they give on behalf of our students. In addition, we wish to recognize the generous stakeholders who gave financial support to our annual fund. This fund provides the opportunity to purchase equipment and supplies that take our courses and productions from good to great.

As the 2017-18-year closes, SHSA looks to celebrate its 50th anniversary next year. The growth of the school over these years is evidence of the value placed on arts education on our campus! The vision of the Ursuline Sisters to educate the whole person is alive and well in the halls of SHSA.

We thank the parents, students, faculty and staff, who make SHSA the special and unique learning environment that it is. Let’s make the next 50 years even better!

*Dr. Anna Jo Paul*

Please join Sacred Heart Schools as we celebrate the retirement of Dr. Anna Jo Paul and her many years of service to Sacred Heart School for the Arts. Thank you, Dr. Paul, for all that you’ve given us!
